Re: Request for Proposals - Youth Impacting Community

Youth Impacting Community (YIC), a youth advisory board for the Greater Manhattan Community Foundation (GMCF), is pleased to invite non-profit, tax-exempt organizations in the greater Manhattan-Riley County area to apply for grants for charitable purposes. Project funding has historically ranged between \$200 and \$3,000.

YIC members will consider requests for funding for charitable projects in the Greater Manhattan-Riley County area that address needs in the following area:

The deadline for submitting grant proposals is **3:00 p.m., Friday, October 8, 2010**. Applications must be received in the Foundation's office by that date. Electronic applications may be sent to foundation@mcfks.org. If turning in hard copies, please deliver three **(3) copies** of the required documentation.

The application may be downloaded from our website at www.mcfks.org or you may email our office at foundation@mcfks.com to have it sent to you.

Applications will be reviewed by GMCF staff for completeness and clarity. Applicants will be sent an acknowledgement that their proposals have been received and notification if there should be any missing or incomplete information.

YIC members will review all eligible proposals and make recommendations to the Executive Board of the Trustees. Applicants will be notified of the Board's decision no later than **November 19, 2010**.
