2017/18 Bonnie Verbrugge Memorial Scholarship

Two \$300 Scholarships

*Eligible Applicants: Current employees of the Manhattan Country Club
attending any accredited two or four-year college or university.*

Bonnie was office manager at Manhattan Country Club for more than 25 years. Because the club employs so many college students as servers, pool staff, and golf course staff, she often became a mother figure to them. Bonnie loved working among the students, other employees, and members of MCC. People who knew her said she was one of the nicest, most upbeat people they had ever known. Even when she was going through cancer treatments she continued to work, and faced each day with an amazingly positive attitude. When she died, after a courageous battle with cancer, management, members, and the board of directors decided to honor her by establishing a memorial scholarship in her name at the Greater Manhattan Community Foundation to recognize outstanding student employees.
