GMCF Funds Kids' Cooking Camp

Last June, nineteen 3rd - 5th grade students from Riley, Kansas learned about nutrition and food safety. Thanks to a grant from the GMCF, the Riley County Extension Office and USD 378 teamed up to offer a week long *Kids' Cooking Camp*. Lessons included how to wash fresh produce, read a food label, separate an egg, shell an egg and use an oven safely.

Currently, the rate of overweight and obese children is at an all time high. To lessen the risk of developing chronic health conditions, students took part in the Kid's Cooking Camp last summer at the Riley Centre in Riley, Kansas.

Need to find a gift for someone who has everything? Give a Giving Card.

It works much like a retail gift card but there's a twist. You get a tax deduction and the card recipient redeems the Giving Card to benefit any public charity in the United States including schools, churches and synagogues.

Please visit the GMCF at www.mcfks.org to learn more or to place your order.

We are so thankful for you, our donors!

*Happy Thanksgiving!
from Sarah, Laurie, & Elaine*
