LETTER FROM OUR BOARD CHAIR
Karen Roberts

At the end of another successful year for the Greater Manhattan Community Foundation, it is important to recap the role of the Foundation for so many in our communities. Hundreds of individuals, businesses, and organizations have given to the Foundation in 2017, providing funds for grants to support a wide range of charitable activities. GMCF is the vehicle for our charitable giving needs, whether through donations or grants. We can support groups and issues of interest through a single organization.

The Greater Manhattan Community Foundation includes nine affiliates at this time, enhancing philanthropic giving throughout the region. We learn from each other, as we continue to facilitate the efforts of people who make charitable contributions to the community. Some of the affiliates have developed their own Match Days this year, in an effort to support giving in their communities.

It has been an excellent year with growth in assets, number of endowed funds, and grants given to organizations. It is exciting to attend receptions where grants are presented due to the work of the Yes! Campaign, GMCF and Diehl grants committees, and Youth Impacting Community (YIC). There is high energy in the room, when we see the benefits of making donations to the Foundation and giving to the organizations who will do great work to meet community needs.

We are planning for continued success of the Greater Manhattan Community Foundation through the outstanding work of the staff, the dedication of the board and trustees, the generosity of donors, and the support of volunteers. Thank you to each of you for the part you play.

Karen Roberts, Board Chair
LETTER FROM OUR PRESIDENT/CEO

Vernon J. Henricks

It’s always a pleasure to share information about the Greater Manhattan Community Foundation year and to say “Thanks”. The community foundation continued to make a difference in 2017 through the efforts of our many volunteers and fund holders.

I am especially pleased that we reached the threshold of $80 million in assets in a year when we also gave away a record $4.6 million in grants. In less than five years we have, more than doubled our assets, more than tripled our fund agreements, more than quadrupled our grants and more than quintupled our gifts and grants revenue.

We welcomed three individuals to our team in part-time roles in 2017. Leslie Scobey joined us as our Affiliated Coordinator based out of Sabetha, Mike McCall joined us as Director of Development in our Wamego affiliate and Shanita Thomas joined our financial services team in the Manhattan office as an administrative assistant. Our teams is now six strong with a 3.75 FTE.

My comments last year spoke of the many records we broke and the impact that was made in the community. I’m humbled to share that 2017 was no different. Each year our staff establishes ten (10) measurable stretch goals to strive for. They range from funds established to total assets managed. I’m pleased to share that we exceeded eight, were very close on achieving the ninth goal. Here is a brief summary of those goals and the comparative totals from five years prior:

REACH $80 MILLION IN FOUNDATION ASSETS 2017 - $79,396,487 2012 - $36.9
REACH $45 MILLION IN GMCF ASSETS 2017 - $49,144,788 2012 - $7,898,834
REACH $5 MILLION IN GIFTS AND GRANTS REVENUE 2017 - $7,729,565 2012 - $1,498,122
AWARD $3 MILLION IN GRANTS TO COMMUNITY 2017 - $4,610,992 2012 - $993,840
RAISE $1 MILLION IN NEW ENDOWED FUNDS 2017 - $1,069,883 2012 - $577,261
REACH 95% IN GIVING BY TRUSTEES 2017 - 62% (104/127) 2012 - 57% (59/103)
EXCEED $225,000 IN YES! CAMPAIGN 2017 - $227,140 2012 - $181,135
ADD 15 NEW ENDOWED FUNDS 2017 - 20 2012 - 8
REACH 500 FUNDS 2017 - 537 2012 - 147
REACH $450,000 FOR MATCH DAY 2017 - $612,742 2013 - $140,553

In summary, I want to again thank all of our volunteers, fund holders and affiliates for a tremendous year. We thank you all for what you do for your community and ask that you stay active and informed about our GMCF efforts.

Vern Henricks, President and CEO
Friends of Johnny Kaw Fund

Friends of Johnny Kaw is a citizens group working to make some improvements to the Johnny Kaw Statue in City Park. The improvements will fit with the Park Master Plan - but will not be taxpayer funded. The plan is to be totally in line with the original group that built the Johnny Kaw Statue - As Geo.A. Filinger wrote in April of 1966:

Friends of Johnny Kaw and believers in the Pioneer spirit he represents are building a statue of the great wheat grower in the Manhattan City Park. (With taxpayer’s money? Certainly not!) It is the hope of all who contribute money, materials or efforts, that the statue will be a tribute to all Pioneers and that all who see Johnny Kaw will be inspired to try to emulate (whatever that means) that pioneer spirit. The sponsors hope that thousands of friends, tourists, and businessmen will stop to see Johnny Kaw and incidentally, get better acquainted with Manhattan and with the entire Midwest. Everyone in typical western hospitality will welcome them and make them feel at home.

The new “Friends of Johnny Kaw” plan on continuing with the Pioneer spirit and give the immediate area around the statue a face lift - and more important add some signage to identify the Great Kansas Wheat Grower and highlight some of his accomplishments. The city in past years sponsored a Johnny Kaw Club membership card, and Friends of Johnny Kaw have brought the club membership card back to help with fund raising.

The statue of Johnny Kaw in the City Park was completed and dedicated in May 1966. The legend of Johnny Kaw was compiled by Dr. George Filinger and the tales of Johnny were chronicled in the book The Story of Johnny Kaw. The statue was erected at no cost to the city. Local businessmen donated the steel and concrete; other businesses gave materials and donations were solicited to pay for construction.

The Friends of Johnny Kaw hope to continue the Pioneer Spirit of the 1955 and 1966 creators of the Johnny Kaw statue and expand upon the vision to create “a statue that would do justice to our pioneers. To make progress someone must improve something. Such was and is the Pioneer Spirit”. Johnny Kaw is the embodiment of that spirit. Citizens may become part of the Pioneer Spirit of Manhattan and our Great State of Kansas by joining the Johnny Kaw Club.

Johnny Kaw Club membership cards are on sale for $5.00 at the Discovery Center, Sunset Zoo, The Manhattan Chamber of Commerce, The Riley County Historical Museum and Claflin Books.

The Friends of Johnny Kaw Fund is now part of the Greater Manhattan Community Foundation. The Fund is listed under Preservation, Conservation & Beautification. You can donate online at the GMCF website https://secured.netstorekeeper.com/mcfd/gifftogmcf.cfm. Please help continue the Johnny Kaw Pioneer Spirit by helping to restore the Statue, enhance the area around the Statue and install signage to highlight the Great Kansas.
Radar's Fund to Assist with Medical Care

Radar was a border collie that arrived with Riley County Humane Society (RCHS) with uncontrolled seizures, a funny gait and a missing eye. RCHS had his seizures under control and closed his eye appropriately so it wouldn't collect debris. They also did hip radiographs and learned that his hips were fine but he likely had a lower back issue. Thankfully it didn't seem to bother him much, he just moved differently.

Radar was an incredibly sweet boy who adored his foster mom and his cat buddy but he had a few other personality quirks that made him a difficult dog to adopt. He was a bit of an alternative learner and it took quite a bit of trial and error to learn the best way to communicate with him. Ultimately, RCJS staff loved Radar but knew he would be a difficult dog to adopt. So they were thrilled when his new mom Sarah contacted us! She was up for the challenge of dealing with a special needs dog and she has done an amazing job with him. Sarah is a PhD candidate at Washington State University studying immunology and interested in working in the companion animal health field.

Radar's foster was the person who initiated Radar's Fund with GMCF to assist Sarah with Radar's continued medical care. Sarah is absolutely the best possible owner for Radar, he is incredibly well loved and cared for. However, he is not a simple or inexpensive pet. The fund has been helpful for her in addressing Radar's continued needs. Gifts can be made to Radar's Fund at www.mcfks.org.

Youth Impacting Community

*Unrestricted General Endowment Funds
Fund holders can support community needs by providing unrestricted support. You can create a named endowed fund where the foundation’s board of directors will use the funds to address changing community needs. Unrestricted general endowed funds provide the support for the Grants for Greater Manhattan and YIC Grants programs. By giving to the Fund for Greater Manhattan, you can provide funding for these grant programs.

**Supporting Organizations
Supporting organizations are separate legal entities that are affiliated with the Community Foundation. They are established with their own boards, grantmaking identities, and governance structures. Supporting organizations enjoy public charity status and the professional services of the foundation which includes staff and administrative support.
The Community Foundation offers a variety of fund options to help you meet your philanthropic goals. From donor-advised funds (where you engage in active grantmaking recommendations) to unrestricted funds (which rely on the Foundation’s knowledge of community needs for grantmaking decisions), our funds allow you to choose your level of participation.

You can establish a fund using cash, securities, closely-held stock, mutual fund shares, real estate, business interests (limited partnership shares, LLCs, etc.) and many other types of assets.

Donor Advised Funds
Donor Advised Funds are charitable funds for those seeking active involvement in grantmaking. Fund holders – and their successors, if desired – advise or recommend grants from their fund to support nonprofit organizations. Fund holders work with GMCF staff to create a lasting, impactful philanthropic legacy.

Field of Interest Funds
Field of Interest Funds are funds that have been established by the Community Foundation for granting to a broad area of interest rather than a single nonprofit organization in a particular field. Field of Interest Funds are also endowed funds, meaning that they will continue to make annual grants in perpetuity.

Scholarship Funds
Scholarship funds support those who want to pursue education, whether they’re high school graduates pursuing a college degree, young athletes seeking assistance with additional training or nontraditional students who are returning to the workforce. Fund holders work with Foundation staff to devise selection criteria.

Supporting Organizations
Supporting organizations are separate legal entities that are affiliated with the Community Foundation. They are established with their own boards, grantmaking identities, and governance structures. Supporting organizations enjoy public charity status and the professional services of the foundation which includes staff and administrative support.

Unrestricted General Endowment Funds
Fund holders can support community needs by providing unrestricted support. You can create a named endowed fund where the foundation’s board of directors will use the funds to address changing community needs. Unrestricted general endowed funds provide support for the Grants for Greater Manhattan and YIC Grants programs.

Designated Funds
You may wish to support a specific nonprofit organization. Once the fund is established, grants are made annually to the organization(s). Foundation staff monitor the organization to honor your philanthropic intentions. With a designated fund at the Community Foundation, you receive professional management and grant monitoring. Nonprofit Organizations can establish endowment funds to provide financial support to their organization in perpetuity and be a conduit for planned gifts. Designated Funds may also be established to benefit capital campaigns.

GROW Green Match Day 2013 - 2017

![Bar chart showing donations and match for GROW Green Match Day from 2013 to 2017.](chart.png)
In 2017, the fourth annual Community Foundation Awards (CFA’s) were hosted by the Greater Manhattan Community Foundation, with over 500 guests in attendance. The CFA’s recognize & celebrate local citizens for the Time, Talent, & Treasure they share so unselfishly to positively impact the lives of others. This special evening of awards and local entertainment is meant to honor those volunteers, non-profits, & philanthropists & focus on the great things they do in our community.
Legacy Club Members

The Greater Manhattan Legacy Club provides a way for the Foundation to recognize generous individuals who have made plans to benefit this community’s future. While personal and family obligations should always come first, a planned gift to the Foundation is a simple way to create an enduring legacy.

Kids Bikes Recycling Fund

The purpose of this fund started in 2017 is to refurbish bicycles that will then be given to local youth. It was determined that some children and teens were using Green Apple Bikes (GABs) continuously as a form of transportation. The Kids Bikes Recycling (KBR) program provides these young people with a refurbished bike if they agree to use them instead of GABs. The riders are provided a helmet, water bottle, and lessons to teach them how to properly ride the bike and use the gears.

KBR Has:

- Prepared 30 bikes for the City Bike Swap in May of 2017.
- Provided bicycles for foster children. As the children grow or move, they are able to take the bike with them, or exchange it for a larger one. KBR provides these foster children with a bike helmet and water bottle.
- Organized a bike swap for Ogden USD 383 Back to School event where eighty bikes were swapped. A total of 18 volunteers repaired bikes, changed tires, fit bikes and helmets, and handed out water bottles.
- Sponsored a 67 mile ride for Sunflower CASA Project, Inc.
- Refurbished and donated 50 bikes to Toys for Manhattan for their free shopping events.

The Kids Bikes Recycling program hopes to add additional bike swap events in the future. Their greatest need is funds to help pay for refurbishing costs. Donations can be made to the KBR Fund at www.mcfks.org.

The Greater Manhattan Community Foundation's Affiliate Program provides a mechanism to build local philanthropy across NE Kansas. Affiliates receive financial and administrative services, marketing support, and technical assistance from GMCF staff. In 2017, GMCF added one new affiliate, the Clay Center Community Improvement Foundation. Blue Rapids requested affiliation at the beginning of 2018. We welcome all of these foundations to our organization and look forward to working to ensure that they, as well as all of the affiliates, have very bright futures!
Greater Sabetha Community Foundation

Established: November 11, 2015
Total Assets: $2,570,073
